

COLOSSEO - QUIRINALE AREA GUIDE

Things to do in Rome | Visit our blog: blog.rome-accommodation.net

The area around the Coliseum covers several historic districts of the city of Rome. Just beyond the Imperial Forums the antique Monti neighborhood, which is famous for its fashion boutiques, antique shops and Trattorias – simply one of the greatest places in which to get lost walking through the alleys. It is also easy to get around the city from here thanks to the metro stop Cavour just a short walk from all our apartments in the area.

Just behind the Coliseum extends the elegant neighborhood Celio. This very peaceful area is close to many beautiful churches and a few parks, such as the Colle Oppio and Villa Celimontana. Rome's only official gay street is also location in this area. The metro stop Colosseo is just around the corner in this district.

We suggest the following apartments in this neighborhood:

[FORI IMPERIALI](#) – Cozy studio for couples near the Coliseum.

[CELIMONTANA](#) – Romantic apartment with terrace in near the Imperial Forums.

[CAVOUR](#) – High-ceilinged flat for 4 in a historic building in Monti.

[MONTI](#) - Vacation apartment for small groups near the Coliseum.
